CITY MANAGER'S UPDATE

As we close out the summer season and enter into the autumn months, I am pleased to highlight some news and information of developments and events occurring throughout Ontario.

This past spring, the Ontario City Council held a grand opening ceremony for the new Schimmel Dog Park at John Galvin Park. The new dog park, located at the northeast corner of Cucamonga Avenue and I Street, is dedicated in memory of "Ex" Von Der Schimmel-Schultz-Heide, the first Police Department Service Dog who gave his life in the line of duty on July 2, 1986. Be sure to take your dog and visit this new park and the amenities it has to offer.

On June 15, 2016, the City Council unanimously approved a structurally balanced budget for Fiscal Year 2016-17. The total overall budget of \$469,372,820, balanced without the use of any one-time monies, is consistent with the Mayor and City Council's goals and objectives to continue to preserve public safety levels, meet community and cultural needs, and deliver on critical capital projects. We will also be adding 21 new Police Officer positions, bringing the total to 33 additional positions in the last 24 months.

The primary City Council goal for Fiscal Year 2016-17 remains: Regain local control of the Ontario International Airport. I am happy to report that the Ontario City Council and the Ontario International Airport Authority (OIAA) continues to work in bringing your Ontario International Airport (ONT) back to local control. On June 21, 2016, the House of Representatives approved, H.R. 4369 which helps facilitate the transfer of ONT from the City of Los Angeles to the OIAA. On July 13, 2016, the Senate approved the final passage of Federal legislation facilitating the transfer of ONT to the Ontario International Airport Authority. As of this writing, the bill has been sent to President Obama to be signed into law. To stay updated with the latest information regarding the transfer of ONT, visit www.OntarioOIAA.com.

The 2016 Route 66 Cruisin' Reunion is right around the corner. This annual three day event will come to the historic downtown area on September 16-18. Be sure to mark your calendars to attend this free event showcasing hundreds of classic cars, live music, food and vendors, and entertainment for the entire family! For more information regarding this event or to register your classic vehicle, please visit www.Route66CruisinReunion.com.

The downtown area is thriving with many arts and cultural amenities for the community through various programming and events. The Annual Día de los Muertos exhibit will be on display at the Ontario Museum of History & Art from October 6 – November 13. Be sure to pay a visit as this annual exhibition showcases contemporary paintings, sculptures, ofrendas (altars), and the winners from the citywide Mask Making Contest. The Museum offers free admission and fun for all ages. For more information about arts and culture events in Ontario, visit www.OntarioArts.org.

Finally, I would like to point out that December 10, 2016 marks the 125th Birthday for Ontario since its incorporation in 1891. This is a very exciting opportunity to celebrate Ontario's heritage. Founded as a model colony in 1882 by George and William Chaffey, the City of Ontario continues its commitment to creating opportunity and building value in the community. Be sure to stay connected on the City's social media channels by visiting www.ontarioca.gov/socialmedia, as we celebrate a rich history and heritage of community, culture, and commerce with exciting events and programs as we get closer to our birthday.

GEORGE CHAFFEY: ONTARIO TOWN FOUNDER

In continuing celebration of the City of Ontario's 125th anniversary since the incorporation, we are reminded of the town's founder, George Chaffey. Chaffey was of Scottish heritage born in Canada in 1848 and left school at the early age of 13. At 14, he became an apprentice marine engineer in his father's shipbuilding yard on Lake Ontario, Canada. By the time he reached 32, he was a well-established ship designer. That same year he visited his father in California and, by 1886, he and his brother William had established the irrigation

colonies of Etiwanda, Ontario and Upland. This ultimately led to the founding of the Ontario "Model Colony." On Saturday, October 8, 2016, Ontario Heritage will portray George Chaffey at their 7th Annual Historic Cemetery Tour held at the historic Bellevue Memorial Park in Ontario.

For more information regarding the tour, please contact Ontario Heritage at www.ontarioheritage.org or (909) 984-6558.

YARD SALE?

**THE CITY OF ONTARIO PRESENTS THE
UPCOMING YARD SALE WEEKENDS:**

AUGUST 5-7

Residents no longer need to go to City Hall to get a garage sale permit. Items for sale must be used merchandise that was owned by the household. One 6 square foot sign can be placed in the front yard to advertise the sale. After August 6, 2010, holding a garage sale on any other days, besides the weekends designated by the City, will result in a possible citation or fine. The City is limiting the dates for yard sales to help prevent traffic and parking problems in our neighborhoods, and to keep the City attractive.

FREE EMERGENCY TRAINING

The City of Ontario's Community Emergency Response Team (CERT) training is a program that prepares you to help yourself, your family, and your neighbors in the event of a disaster. During a major incident, emergency service personnel will not be able to reach everyone immediately. By getting training in CERT, you will have the skills to help emergency responders save lives and protect property. CERT groups are known and trusted resources to emergency responders and their communities and as a member of CERT, you may respond to disasters, participate in drills, excercises, and city events. You must attend all three days of training modules to complete the course.
