## CITY MANAGER'S UPDATE

The City of Ontario continues to thrive and offer a wide variety of premier programs and services for 2016.

In Ontario Ranch, the southern part of the City formerly referred to as the New Model Colony, we continue to welcome new residents with housing complexes that offer a host of amenities and cutting edge services. In fact, the LA Times recently featured a story on the progress at Ontario Ranch and highlighted Ontario Ranch as a new "gigabit community", with infrastructure paid for by Ontario Ranch developers. This new high-speed fiber infrastructure will give residents the ability to download movies in less than six seconds, and will allow those with home-based businesses and companies in the area the chance to grow their businesses and connect at top speed with the rest of the world. Ontario's low cost structure for gigabit technology is by far the most accessible pricing model offered anywhere in the United States. More information is available at [www.ontariofiber.com](http://www.ontariofiber.com) or [www.canugigit.com](http://www.canugigit.com).

Your Ontario International Airport also continues to be the focus of our Mayor and City Council. Last December, the City of Ontario, Ontario International Airport Authority, Los Angeles World Airports and the City of Los Angeles settled the existing legal disputes; and Los Angeles agreed to transfer the airport to local control. The transfer is now being reviewed by the Federal Aviation Administration, and we look forward to receiving the keys to the airport in July 2016. While it may take a few years to fully rebuild our region's most important economic engine, we look forward to working together to strengthen Southern California's regional aviation network.

Finally, Ontario's nationally recognized State of the City event held each March is now featured on the web, along with videos from previous years, at [www.ontariosoc.com](http://www.ontariosoc.com). Feel free to contact our Economic Development Agency at (909) 395-2005 if you have any questions about the event or are interested in starting or growing your business in Ontario.

## SMART PHONE APPLICATION

The City of Ontario has unveiled the "myOntario" iPhone and Android Phone application that allows residents with smart phones to point, click and send photos of maintenance issues such as:

- Graffiti
- Potholes
- Roadside debris
- Shopping carts
- Storm drains
- Street sweeping
- Lane striping
- Traffic signs, sidewalk, curb, gutter maintenance
- Tree trimming
- Park maintenance
- Weed abatement
- Sprinkler problems

iPhone and Android users may download the "myOntario" application for free from the iPhone App Store and Android Market by searching for the keyword "myOntario". Once installed, users will simply open the application and follow the prompts to take a picture of the issue and then tap "submit". Using built-in global positioning system technology, "myOntario" will attach a location to the picture and route the information about the problem to the appropriate City department for resolution. City staff and Vendors will now be able to respond like a business, using better technology, encouraging efficiency and faster response times.

# LOCK CRIME OUT

Protect your family, home and vehicle by remembering to follow tried and true safety tips that will keep you safe all year long:

- Remember to keep all home and vehicle doors and windows locked at all times.
- Make sure the locks are secure. Replace as needed.
- Remember the Crime Prevention Unit offers free home security inspections.
- Keep bushes and plants trimmed back to allow a clear view of your home.
- Remember to keep your home well-lit, both inside and out.
- Use timers or motion detector lights, as needed.
- Start or keep an active Neighborhood Watch program going. A watchful neighbor is your best line of defense.
- Don't leave or store valuables in your car.
- Report any suspicious activity to police dispatch at 909-986-6711.

**Contact the Crime Prevention Unit for a new or update Neighborhood Watch meeting:

## SERVING THE NEIGHBORHOOD: OUR LADY OF GUADALUPE CHURCH

Our Lady of Guadalupe Church resides on the busy street of Sultana between Mission Boulevard and Holt Avenue. The inviting Catholic Church has served as a focal point for the Hispanic neighborhood for over 60 years. The history of the church dates back to 1923, when Margarito and Soledad Chavez loaned their home on East State Street two or three times a week to the teaching of the Christian Doctrine. In 1925, with assistance from Father Patrick Bradley of Ontario's Saint George Church, a hall was built on East Park Street. This hall was dedicated to Saint Teresa, and served as a chapel for those in the area. The priest from Saint George would come and hold mass every Sunday. In 1935 the chapel was finally made a parish and the first pastor was Father Jose Nuñez. The parishioners began fundraising for the construction of a new church building, and in 1948

Our Lady of Guadalupe moved to its Sultana Street location. The church continues to serve as a house of worship and a social gathering place for its parishioners and those in the surrounding area.

The Ontario Museum of History & Art will be exhibiting the graphite portraits of Our Lady of Guadalupe parishioners, created by artist Andrea Benitez, in the exhibition *Faces of the Community*. The exhibition runs from April 7 – August 7, 2016 in the museum's Carlson Gallery. For more information contact the museum at (909) 359-2510.

# ONTARIO'S NATIONAL NIGHT OUT

Ontario's Mayor and City Council are proud to announce this year's National Night Out. The event will celebrate our city's ongoing commitment to maintaining a high level of public safety and quality of life for our city.

National Night Out is designed to heighten crime and drug prevention awareness, enhance participation in local anticrime efforts, and strengthen our community's partnerships with law enforcement. Last year, Ontario residents from more than 200 neighborhoods participated in the event, which helped us earn 5th place in the nation for cities our size.

We invite Ontario residents to join us in making this year's celebration our largest ever. Areas throughout the city will be hosting special events such as block parties, flashlight walks, youth activities and anti-crime rallies. Several of these events will be highlighted with visits from various police, fire, city and other agency representatives. Visit the Ontario Police Department web site to view additional National Night Out ideas and guidelines ([www.ontarioca.gov/police](http://www.ontarioca.gov/police)).

The block parties can be coordinated through neighborhood watch groups, community organizations or businesses seeking a unique outreach project. Residents with an existing neighborhood watch group should contact their block captains for planning information.

Neighborhood Watch Block Captains are invited to attend the Ontario National Night Out kick-off meeting on Thursday, June 2, 2016 at 6:30 PM at the Ontario Police Department Community Room located at 2500 South Archibald Ave.

Contact the Ontario Police Department Crime Prevention Unit at 395-2939 or [crimeprevention@ontariopolice.org](mailto:crimeprevention@ontariopolice.org) for more information.

# GARAGE SALE?

THE CITY OF ONTARIO PRESENTS THE UPCOMING GARAGE SALE WEEKENDS:

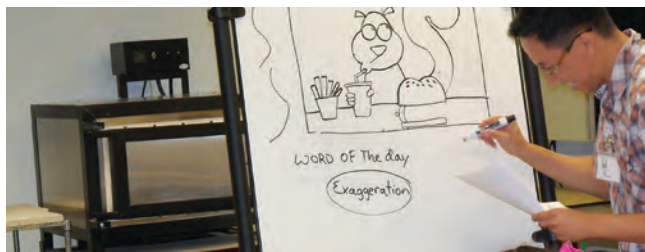

## MAY 1-3

Residents will no longer need to go to City Hall to get a garage sale permit. Items for sale must be used merchandise that was owned by the household. One 6 square foot sign can be placed in the front yard to advertise the sale. After August 6, 2010, holding a garage sale on any other days, besides the weekends designated by the City, will result in a possible citation or fine. The City is limiting the dates for yard sales to help prevent traffic and parking problems in our neighborhoods, and to keep the City attractive.

## TOP 10 REASONS TO BUY LOCAL

1. Strengthen your local economy
2. Reduce climate change impacts
3. Support community groups
4. Keep our community unique
5. Create more jobs
6. Get better service
7. Invest in your community
8. Buy what you need. Don't buy the hype
9. Put your taxes to good use
10. Encourage local prosperity

## Community Emergency Response Team

The City of Ontario's Community Emergency Response Team (CERT) training is a program that prepares you to help yourself, your family, and your neighbors in the event of a disaster. During a major incident, emergency service personnel may not be able to reach everyone right away. By getting training in CERT, you will have the skills to help emergency responders save lives and protect property. CERT teams are known and trusted resources to emergency responders and their communities and as a member of a CERT team you may respond to disasters, participate in drills, exercises, and city events. You must attend all three days and training modules to complete the course.

**GET A TICKET, HOT DOG, AND SODA  
STARTING AT \$25**

The image shows a large, stylized sign for the Ontario Reign. At the top left is the Ontario Reign logo, which features the word "REIGN" in a bold, italicized font with a crown above it, all within a shield-like shape. To the right of the logo, the words "VALUE OFFER" are written in large, bold, black letters. Below this, there are two smaller signs. The left one is a vertical sign with a grey top section containing the text "TICKET HOT DOG SODA" and an image of a blue cup and a hot dog. Below that, it says "Starting at \$25" in large white font, and the Ontario Reign logo is at the bottom. The right sign is also vertical, with the Ontario Reign logo at the top, followed by the text "FRIENDS & FAMILY VALUE OFFER" and a photo of a player in a white jersey. At the bottom of this sign, it says "Ticket, Hot Dog, Soda".
