## CITY MANAGER'S UPDATE

This past year Ontario has experienced a rejuvenation of activity in our historic Downtown. Residents, businesses, and visitors to Downtown Ontario have come together to enjoy a myriad of new amenities and outstanding programs. We've seen record attendance at our Summer Concert Series, Movies in the Park, Fall Fest, and the Route 66 Cruisin' Reunion. We will continue this trend by offering our community a host of programs and activities this winter.

The non-profit organization "Christmas on Euclid Experience" will once again be working in partnership with the Ontario Convention Center and Visitor's Bureau to bring the community this extraordinary, annual event to Downtown Ontario. Kicking off with the Annual Tree Lighting Event on December 4, the entire month of December will be filled with activities celebrating our community's rich diversity and family traditions. Residents and visitors alike can look forward to a winter wonderland on historic, tree-lined Euclid Avenue every holiday season. For more information, please call 800-455-5755 or visit [ChristmasOnEuclid.com](http://ChristmasOnEuclid.com).

Ontario's Reindeer Run will take place on December 12 at the Citizens Business Bank Arena. This annual event is expected to attract 2,000 participants of all ages with proceeds benefiting the Promise Scholars Program and the City's Recreation programs.

This partnership between the City and the Ontario-Montclair School District is working to ensure that all students achieve their college and career dreams through post-secondary education opportunities. More information on the event is available at [ontario5krun.com](http://ontario5krun.com).

The Ontario City Council has also ensured opportunities for growth and development of the Ontario International Airport. Our City Council and the Ontario International Airport Authority have approved the airport transition settlement agreement. We anticipate the transfer to occur and Ontario be handed the keys to the Airport in the summer of 2016. This truly is a historic step in making sure our region's most important economic and jobs engine thrives under local control.

Finally, I'd like to remind everyone to please shop local and support our businesses that enable Ontario to be home to all of these amazing events, programs, and services. Have a happy, healthy, and safe holiday season.

## DR. ELSWOOD CHAFFEY - ANOTHER ADVENTUROUS CHAFFEY BROTHER!

Dr. Elswood Chaffey, one of George's three younger brothers, was born in Brockville, Ontario in 1850. He attended medical school at Queen's University in Kingston, graduating with an MD in 1871. After marrying Miss Eliza Boswell in 1876, Elswood moved his young family to Jamaica where he worked as a government physician. In July 1883, he decided to come to Ontario to practice medicine and ranch citrus, and built a handsome \$4,000 single-story ranch home at Euclid Avenue and 5th Street.

In 1889, he sold his property for \$20,000 and moved his growing family to Santa Monica, where he patented a new type of wave-motor for generating electricity, along with

two mechanisms for transmitting the generated power. In October 1893, Elswood and JB Tays, designer of Ontario's infamous mule car, sailed to British Guiana in search of gold but returned empty handed in July 1894 after Elswood suffered a feverish illness and was in recovery. However, not long after his return he packed up once again, moving his family of eight to rural Mexico where he was a country doctor until his death on Christmas Day, 1920 in Lerdo, Durango, Mexico at age 70. Elswood and Eliza had seven children, three boys and four girls. Their three sons all died young. Three of his daughters returned to Ontario, where two of them enjoyed long nursing careers, and his oldest daughter married and lived in California and Utah.

## GARAGE SALE?

THE CITY OF ONTARIO PRESENTS THE UPCOMING GARAGE SALE WEEKENDS:

**FEBRUARY 5-7**

**MAKE UP DATE: FEBRUARY 12-14**

Residents will no longer need to go to City Hall to get a garage sale permit. Items for sale must be used merchandise that was owned by the household. One 6 square foot sign can be placed in the front yard to advertise the sale. After August 6, 2010, holding a garage sale on any other days, besides the weekends designated by the City, will result in a possible citation or fine. The City is limiting the dates for yard sales to help prevent traffic and parking problems in our neighborhoods, and to keep the City attractive.

## SMART PHONE APPLICATION

The City of Ontario has unveiled the “myOntario” iPhone and Android Phone application that allows residents with smart phones to point, click and send photos of maintenance issues such as:

- Graffiti
- Potholes
- Roadside debris
- Shopping carts
- Storm drains
- Street sweeping
- Lane striping
- Traffic signs, sidewalk, curb, gutter maintenance
- Tree trimming
- Park maintenance
- Weed abatement
- Sprinkler problems

iPhone and Android users may download the “myOntario” application for free from the iPhone App Store and Android Market by searching for the keyword “myOntario”. Once installed, users will simply open the application and follow the prompts to take a picture of the issue and then tap “submit”. Using built-in global positioning system technology, “myOntario” will attach a location to the picture and route the information about the problem to the appropriate City department for resolution. City staff and Vendors will now be able to respond like a business, using better technology, encouraging efficiency and faster response times.

# LOCK CRIME OUT

Protect your family, home and vehicle by remembering to follow tried and true safety tips that will keep you safe all year long:

- Remember to keep all home and vehicle doors and windows locked at all times.
- Make sure the locks are secure. Replace as needed.
- Remember the Crime Prevention Unit offers free home security inspections. Keep bushes and plants trimmed back to allow a clear view of your home.
- Remember to keep your home well-lit, both inside and out.
- Use timers or motion detector lights, as needed.
- Start or keep an active Neighborhood Watch program going. A watchful neighbor is your best line of defense.
- Don't leave or store valuables in your car.
- Report any suspicious activity to police dispatch at 909-986-6711.

**Contact the Crime Prevention Unit for a new or update Neighborhood Watch meeting:**
