**(b) Project Analysis:**

- (1) Location & Operations — El Torito Restaurant is located at 3680 East Inland Empire Boulevard, within a larger commercial area containing other restaurants, including Black Angus, Benihana, and Hamburger Mary’s Bar & Grill. The El Torito building was constructed in 1988 and has a capacity to support 357 patrons and utilizes approximately 30 employees for operations at peak hours. The restaurant is located within the Ontario Center Specific Plan, which further designates the location as Urban Commercial. The restaurant contains a full bar and has an existing type 47 (On-Sale General for Bona Fide Public Eating Place) Alcohol Beverage Control (ABC) license, which allows for the sale of beer, wine, and distilled spirits. This license was issued in 1988 and is in good standing with the City of Ontario’s Police Department.
  
- (2) ABC License Concentrations — The California Department of Alcoholic Beverage Control (ABC) is the controlling State entity which grants, renews, and revokes all ABC licenses. ABC determines how many On-Sale and Off-Sale alcoholic beverage license types should be issued per Census Tract, based upon their populations. El Torito received their Type 47 (On-Sale General for Bona Fide Public Eating Place) ABC license, which allows for the sale of beer, wine, and distilled spirits, in 1988. For reference, El Torito is located within Census Tract 21.09, which is bounded by Fourth Street on the north, I-15 Freeway on the east, I-10 Freeway on the south, and Archibald Avenue on the west. As of February 2015, the latest ABC report shows Census Tract 21.09 as having a total number of 37 On-Sale licenses. This Conditional Use Permit is for the modification of operating conditions pertaining to an existing alcoholic beverage sales license and accompanying live entertainment. As a result, no new ABC license is proposed and approval of this CUP would not further contribute to the overconcentration of the Census Tract.
  
- (3) Live Entertainment — The entertainment area within the El Torito facility will be generally located at the southeast corner adjacent to the bar, however, certain types of entertainment, such as Mariachi, may roam throughout the dining areas. Entertainment consists of live bands, karaoke, DJs and dancing, and is subject to the conditions of approval provided by the Ontario Police Department pertaining to hours of operation and security requirements.

All special events, which exceed the scope and approval of this Conditional Use Permit are required to be reviewed and approved through a Temporary Use Permit, prior to the event occurring. A special event can include, but is not limited to, anything occurring outside of the facility such as a parking lot event, or any form of live entertainment not specifically identified within the approved Conditions of Approval.

- (4) Conditions of Approval Modification — El Torito is proposing to modify certain previously approved operating conditions pertaining to live entertainment. The previous CUP established live entertainment, but was restricted to just Mariachi Bands. El Torito is requesting to expand their allowed types of live entertainment to include DJs and dancing. The Ontario Police Department has reviewed the request and is in agreement with the proposed expansion. However, as a result of the expanded type of live entertainment, the Police Department is requiring that two security guards be located inside the facility and two armed security guards be in the parking area, during events that include DJs and dancing. This security requirement is consistent with conditions of approval imposed on other restaurants that desire to establish a combination of DJs and dancing entertainment.
- (5) Land Use Compatibility — The intent of a CUP application and review is to ensure that the proposed use will be operated in a manner consistent with all local regulations, and to ensure that the use will not be detrimental to the public health, safety, or welfare, or materially injurious to uses, properties or improvements in the vicinity. The City of Ontario's Development Code describes a CUP as the following: Sec. 9-1.0900: *Purposes and Authorization* – Conditional Use Permits are required for land use classifications typically having unusual site development features or operating characteristics requiring special consideration so that they may be designed, located, and operated compatibly with uses on adjoining properties and in the surrounding area. Approval of a CUP first requires making certain findings, which show that the proposed use is consistent with all City of Ontario development codes, land uses, and other applicable requirements. Additionally, the use must be compatible with the other surrounding uses; therefore, approving a CUP is discretionary in nature.

The project site is located within the Urban Commercial Land Use designation of the Ontario Center Specific Plan. Within this district, alcoholic beverage sales and live entertainment are conditionally permitted uses. It is staff's belief that the recommended modification to the conditions of approval will sufficiently mitigate any potential impacts associated with the use. Additionally, businesses within the surrounding area will not be exposed to any impacts resulting from alcoholic beverage sales or live entertainment, beyond those that would normally be associated with any

other use similarly allowed within the Urban Commercial Land Use designation of the Ontario Center Specific Plan.

- (6) Previous Conditional Use Permit — Upon Zoning Administrator approval of this Conditional Use Permit (File No. PCUP15-003), the CUP will become the guiding document for alcoholic beverage sales and live entertainment operations for El Torito, as it contains a consolidated set of conditions of approval. The previous Conditional Use Permit, File No. PCUP05-030, approved by the Zoning Administrator November 4, 2005 (Decision No. 2005-27), will no longer be applicable and shall be considered superseded.
- (c) **Airport Land Use Compatibility Plan:** This project is located within the Airport Influence Area of Ontario International Airport (ONT) and was evaluated and found to be consistent with the policies and criteria of the Airport Land Use Compatibility Plan (ALUCP) for ONT. Any special conditions of approval associated with uses in close proximity to the airport are attached to this report.
- (d) **Departmental Review:** Each City department has been provided the opportunity to review and comment on the subject application and recommend conditions of approval to be imposed upon the application. At the time of the Decision preparation, recommended conditions of approval were provided and are attached to this report.
- (e) **Public Notification:** The subject application was advertised as a public hearing in at least one newspaper of general circulation in the City of Ontario (*Inland Valley Daily Bulletin* newspaper). In addition, notices were mailed to all owners of real property located within 300-feet of the exterior boundaries of the property that is the subject of the hearing, as shown on the records of the County Assessor.
- (f) **Correspondence:** As of the preparation of this Decision, Planning Department staff has not received any written or verbal communications from the owners of properties surrounding the project site or from the public in general, regarding the subject application.

#### **PART B: RECITALS**

WHEREAS, the City of Ontario has received a request for Conditional Use Permit approval as described in Part A, above; and

WHEREAS, Ontario Municipal Code § 9-1.0405(f) provides that the Zoning Administrator has the responsibility and authority to review and act upon Conditional Use Permits for existing structures; and

WHEREAS, all members of the Development Advisory Board of the City of Ontario were provided the opportunity to review and comment on the requested Conditional Use Permit, and no comments were received opposing the proposed use; and

WHEREAS, on March 16, 2015, the Zoning Administrator of the City of Ontario conducted a duly noticed public hearing on the application, as follows:

- (a) John Earle Hildebrand III, *Associate Planner*, presented the staff report on the proposed use, indicating the staff recommendation of approval, subject to the attached conditions. Following staff's presentation, the Zoning Administrator opened the public hearing.
- (b) Sofia Gonzales, the applicant, explained the business operation and spoke in favor of the application. She further stated that she had received the conditions of approval package and was in agreement them and that some of the required improvements specified in the conditions, had already been implemented.
- (c) The Zoning Administrator, Barbara Millman, asked Corporal Steve Munoz, from the City of Ontario's Police Department, if there had been any problems associated with El Torito. Corporal Munoz responded that El Torito had started hosting a DJ and dance area, which was beyond the scope of the original CUP. As a result, he required El Torito to obtain CUP modification approval. The Ontario Police Department has provided modified conditions of approval, which specifically states the necessary amount of security required during live entertainment events. The Ontario Police Department is in support of the CUP, subject to the imposed conditions of approval.
- (d) The Zoning Administrator, Barbara Millman, advised the applicant that failure to adhere to the conditions of the modified Conditional Use Permit could result in a new hearing with further conditions or restrictions added.
- (e) There being no one else to offer testimony regarding the application, the Zoning Administrator closed the public hearing.

WHEREAS, all legal prerequisites to the adoption of this Decision have occurred.

### **PART C: THE DECISION**

NOW, THEREFORE, it is hereby found, determined and resolved by the Zoning Administrator of the City of Ontario as follows:

- (a) All facts set forth in this Zoning Administrator Report and Decision are true and correct.
- (b) Based upon the evidence presented to the Zoning Administrator during the above-referenced public hearing, the Zoning Administrator hereby finds as follows:

- (1) The proposed location of the requested Conditional Use Permit, and the proposed conditions under which it will be operated or maintained, will be consistent with

the Policy Plan component of The Ontario Plan and will not be detrimental to the public health, safety, or welfare, or be materially injurious to properties or improvements in the vicinity. The site of the proposed Conditional Use Permit modification is located at 3680 East Inland Empire Boulevard and is within the Urban Commercial Land Use designation of the Ontario Center Specific Plan.

(2) Alcoholic beverage sales and live entertainment are allowed upon approval of a Conditional Use Permit. The project has been conditioned so that the facility and use are operated in a manner that will not be detrimental to the health and safety of the surrounding community.

(3) The proposed location of the Conditional Use Permit is in accord with the objectives and purposes of the Ontario Development Code and the zoning designation within which the site is located. The project site is located within the Urban Commercial Land Use designation of the Ontario Center Specific Plan, for which alcoholic beverage sales and live entertainment are conditionally permitted uses. Alcoholic beverage sales and live entertainment are consistent with the allowed uses specified within the Specific Plan and the CUP will be conditioned to ensure that it will not create negative impacts to the other existing surrounding businesses.

(4) Traffic generated by the proposed Conditional Use Permit will not overload the capacity of the surrounding street system and will not create a hazard to public safety. Modification to the existing conditions approval for alcoholic beverage sales and live entertainment will not create a substantial source of new traffic, and as a result, will not overload the surrounding circulation system nor create a public health risk.

(5) The proposed Conditional Use Permit will comply with each of the applicable provisions of the Ontario Development Code, including Article 32: *General Development Requirements and Exceptions* and Article 33: *Environmental Performance Standards*, as well as the development standards and uses, as specified for the Urban Commercial Land Use district of the Ontario Center Specific Plan.

(c) The Zoning Administrator hereby finds and determines that the project identified in this Decision is categorically exempt from the requirements of the California Environmental Quality Act of 1970, as amended, and the Guidelines promulgated thereunder, pursuant to Section 15301 (Existing Facilities) of the State CEQA Guidelines.

(d) The Zoning Administrator hereby finds and determines that the proposed project is located within the Airport Influence Area of Ontario International Airport (ONT) and was evaluated and found to be consistent with the policies and criteria of the Airport Land Use Compatibility Plan (ALUCP) for ONT.

(e) Based upon the findings and conclusions set forth in Parts A, B and C above, the Zoning Administrator hereby approves File No. PCUP15-003, subject to the conditions of approval attached hereto and incorporated herein by this reference.

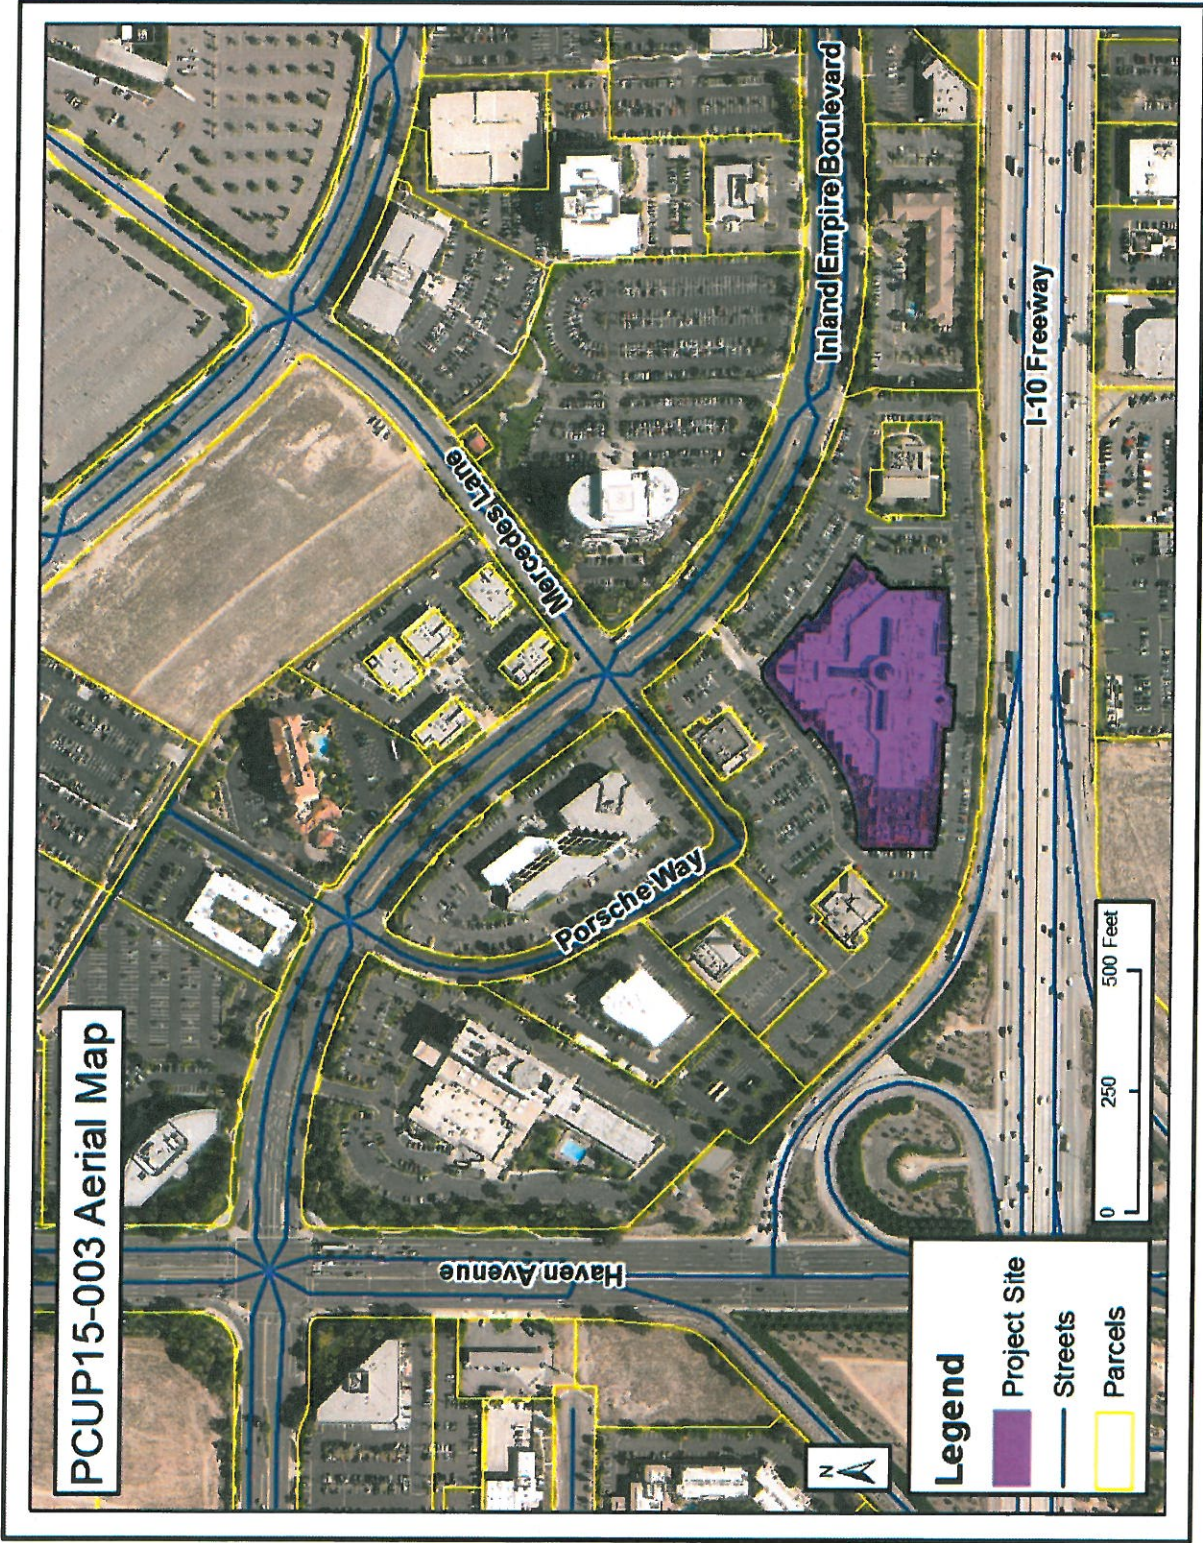

APPROVED by the Zoning Administrator of the City of Ontario on this 19th day of March, 2015.

The Police Department does not object to allowing the requested modifications. The conditions below will replace the current CUP with the City, which is file number PCUP05-030. The location must follow all federal, State, local, and Department of Alcoholic Beverage Control laws, rules, and conditions. In addition, the following conditions of approval shall be imposed by the Police Department:

**BUSINESS CONDITIONS**

days/nights of entertainment and special events. A copy of the code conduct will be on file with the police department.

6. Ontario Police Officers have the right to limit or reduce the occupancy inside the establishment, if situations arise that may compromise the safety of patrons and the officer. Any additional police resources requested to bring peace in the establishment may be charged to the business owner.
