Total Amt \$ _____						
Account No. 47113-025 (4350)						
Fire Protection (FP)	Qty	Size	# Backflows	All addresses & building numbers serviced by FP		

Note: Meter size shall be based on Selection of Water Meters chart unless specified on City approved plans.

Important Information:

Water meter(s) is/are usually installed within five (5) business days after final inspection, and locked in the OFF position. Once the meter is installed, water service can be started by calling the Utility & Customer Services Center at 909-395-2050. An advance payment and a City of Ontario business license will be required.

☐ Inland Empire Utilities Agency (IEUA) Water Meter Connection Fee Paid - Applicant to provide IEUA receipt
