California Civil Code Section 56.11 requires that an authorization for release of medical information be signed by one (1) of the following:

- (1) The patient. A patient who is a minor may only sign an authorization for the release of medical information obtained by a provider of health care in the course of furnishing services to which the minor could lawfully have consented under Part 1 (commencing with Section 25) or Part 2.7 (commencing with Section 60) of Division 1 of the Civil Code.
- (2) The legal representative of the patient, if the patient is a minor or an incompetent. However, authorization may not be given under this subdivision for the disclosure of medical information obtained by the provider of health care in the course of furnishing services to which a minor patient could lawfully have consented under Part 1 (commencing with Section 25) or Part 2.7 (commencing with Section 60) of Division 1 of the Civil Code.
- (3) The spouse of the patient or the person financially responsible for the patient, where the medical information is being sought for the sole purpose of processing an application for health insurance or for enrollment in a nonprofit hospital plan, a health care service plan, or an employee benefit plan, and where the patient is to be an enrolled spouse or dependent under the policy or plan.
- (4) The beneficiary or personal representative of a deceased patient.
