

BUILDING INSPECTION MANAGER

AGENCY/DEPARTMENT:
Development/Building

Approved By HR Director: *Linda Matthews*
Date Approved: 5-19-06
Date of Last Revision: N/A

Reports to: Building Official
Supervises: Building Inspectors (all levels)

JOB SUMMARY: Under administrative direction, administers, manages, and oversees the activities, operations, and staff of the Building Department's building inspection unit; develops and administers department policies; selects, trains, evaluates, and provides daily direction to support staff; delivers and promotes quality customer service; and performs other related work as necessary.

DISTINGUISHING CHARACTERISTICS: This class is characterized by its managerial responsibility for the Building Department's building inspection functions and personnel. The Building Inspection Manager's primarily administrative role is distinguished from the Supervising Building Inspector which is a working supervisor class.

EXAMPLES OF ESSENTIAL FUNCTIONS:

1. Supervises and directs the activities of staff including employee selection, work assignment, performance evaluation, employee development, disciplinary action, and complaint resolution.
2. Directs and assists staff in daily operations, resolving difficult problems with both internal and external customers.
3. Assigns work activities, projects, and programs.
4. Participates in the development of and implements departmental goals, objectives, policies, and priorities.
5. Monitors, evaluates, and improves the efficiency and effectiveness of service delivery methods and procedures; assesses and monitors workload.
6. Prepares budget recommendations, monitors personnel and internal services expenditures; ensures expenditures remain within budgetary limitations.
7. Coordinates inspection activities with other city departments, contractors and developers.
8. Coordinates and administers contract building inspection services.
9. Administers, interprets, and enforces the provisions of adopting building, mechanical, plumbing, and electrical codes; municipal regulations and other codes as they relate to building matters.
10. Performs field inspections to resolve building inspection issues.
11. Administers, interprets, and enforces the provisions of building codes, municipal regulations, and other codes as they related to building matters.
12. Recommends and drafts model code and ordinance changes.
13. Develops and presents reports, memoranda, letters, and other forms of correspondence.
14. Participates in the preparation and delivery of reports and presentations to Council and Commissions.
15. Develops programs for outside groups to educate citizens in the purpose and process of building permitting and inspection.
16. Coordinates department activities with other City departments.
17. Represents the department in public meetings and with outside agencies.
18. Delivers and promotes quality customer service.

QUALIFICATION GUIDELINES:
