Left: May the force be with your family at the Halloween Costume Parade (see page 46 for details).

City of Ontario,
California

Inside City Hall **City Manager's Update**

It has been an extraordinary summer in the City of Ontario and I am pleased to provide you with an overview of just a few of the successful events and projects as envisioned by your City Council.

On June 17, 2015, the Ontario Mayor and City Council unanimously approved a structurally balanced budget for Fiscal Year 2015-16. The total overall budget of \$491,951,228 was balanced without the use of any reserves or one-time monies. Moreover, the budget provides funding to support high quality public safety and municipal services, maintenance and expansion needs of the City's infrastructure and facilities, and the investment and reinvestment of City resources into the community.

A major component of the City's budget was the continued allocation of support for the transfer of Ontario International Airport to local control under the Ontario International Airport Authority. This investment is critical as the passenger count fell from 7.2 million in 2007 to 3.9 million in 2013. This represents total economic damage of \$3.6 billion and 10,700 fewer jobs. We continue to use all legal, legislative, and political means to expedite a transfer of the Airport.

Despite the difficulty in finding flights at Ontario International Airport, 38,280 attendees from all over the world enjoyed the region's milestone Huck Finn Jubilee Bluegrass Music Festival, now known as the "Premier Bluegrass Festival on the West

Coast." The Greater Ontario Convention & Visitors Bureau, overseen by the City of Ontario, booked 23 bands for the three day event (June 12 – June 14) that featured world class acts including a performance by actor/comedian Steve Martin. The event infused \$7.1 million into the local economy and helped secure 2,257 room nights at area hotels. Next year's event will take place on June 10 – 12, 2016; and more information is available online at www.HuckFinn.com.

Additional world famous events are right around the corner. Downtown Ontario will host the third annual Route 66 Cruisin' Reunion from September 18 – 20, and will feature thousands of classic cars and over 200,000 attendees. This event gives our community an opportunity to showcase Downtown Ontario's new Town Square, showcase car enthusiast vendors, and welcome world class musical entertainment suitable for the entire family. To register your vehicle or obtain additional information, please visit www.Route66CruisinReunion.com.

Finally, this Fall I invite all of you to explore Downtown's newest feature, the Ontario Civic Center Community Conservation Park. This 1.3 acre site on the south side of Ontario City Hall has been designed to educate the community about the benefits of conservation through interactive features and sustainable park amenities. Interactive structures will include a sun clock, play garden, artistic windmill, rock climbing play equipment, fossil digs, garden playhouse, butterfly garden, Ontario water history display and an outdoor education amphitheater. This \$3 million dollar project has been entirely funded by a grant from the Statewide Park Development and Community Revitalization Program and advances our commitment to making the Civic Center a model for sustainability and ingenuity. This is the first such open space in the region, and I look forward to seeing you there.

Be sure to visit the City of Ontario's website at www.ci.ontario.ca.us and the City's new Arts and Culture website at www.ontarioarts.org for a complete listing of upcoming events and programs offered in the City of Ontario.

Al C. Boling, City Manager

Discover Historic Downtown

Enjoy a leisurely stroll through downtown with the Historic Downtown Ontario self-guided walking tour map in hand. Discover the people, businesses, and architecture associated with Ontario's buildings and sites. Did you know that downtown was home to Los Angeles famed architect Paul Williams' "Old Post Office" building on Emporia Avenue, which is now used for an art gallery and work/live lofts? See a collection of Work Progress Administration (WPA) architectural gem buildings, such as the Museum of History and Art, Ontario, on South Euclid Avenue and the United States Post Office on East Holt Boulevard. Don't forget to have a look at the WPA-sponsored artwork displayed in the lobby of the post office. Complete your tour by visiting Ontario Through the Years history mural located at Ontario Town Square, located on North Euclid Avenue between B and C Streets. The images included in the mural highlight events, people, and places that helped shape Ontario from "The Vision" Era to the "Commitment to Community" Era. The mural commemorates and celebrates Ontario's past and the framework it has established for the future. A printed copy of the tour guide may be picked up at the Ovitt Family Community Library, the Museum of History and Art, Ontario, or at the Ontario City Hall. A downloadable copy is available on the City's Website at <http://www.ci.ontario.ca.us/> in the Planning Department.

myOntario Smart Phone Application

The City of Ontario has unveiled the "myOntario" Smart Phone application that allows residents with iPhones and Android phones to point, click and send photos of maintenance issues such as graffiti, potholes, roadside debris, shopping carts, storm drains, street sweeping, lane striping, traffic signs, sidewalk, curb, and gutter maintenance, tree trimming, park maintenance, weed abatement, and sprinkler problems.

iPhone and Android users may download the "myOntario" application for free from the iPhone App Store and Android Market by searching for the keyword "myOntario". Once installed, users will simply open the application and follow the prompts to take a picture of the issue and then tap "submit". Using built-in global positioning system technology, "myOntario" will attach a location to the picture and route the information about the problem to the appropriate City department for resolution.

City staff and Vendors will now be able to respond like a business, using better technology, encouraging efficiency and faster response times.

Planning a Garage Sale?

The City of Ontario will only be allowing yard sales to occur on 4 weekends throughout the year. **The upcoming Yard Sale Weekends in 2015**

are: August 7, 8, 9; and November 6, 7, 8. Dates will be posted on the City's website.

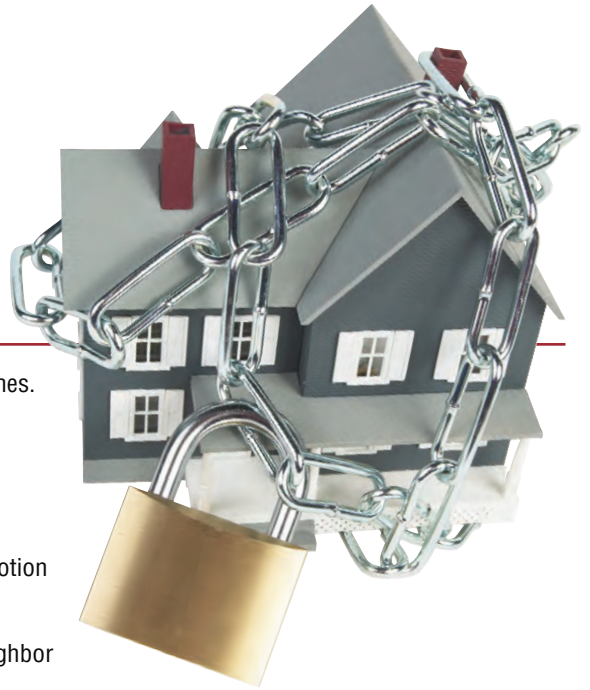

Residents will no longer need to go to City Hall to get a garage sale permit. Items for sale must be used merchandise that was owned by the household. One 6 square foot sign can be placed in the front yard to advertise the sale. After August 6, 2010, holding a garage sale on any other days, besides the weekends designated by the City, will result in a possible citation or fine.

The City is limiting the dates for yard sales to help prevent traffic and parking problems in our neighborhoods, and to keep the City attractive.

Lock Crime Out

Protect your family, home and vehicle by remembering to follow tried and true safety tips that will keep you safe all year long:

- Remember to keep all home and vehicle doors and windows locked at all times.
- Make sure the locks are secure. Replace as needed. Remember the **Crime Prevention Unit** offers *free* home security inspections.
- Keep bushes and plants trimmed back to allow a clear view of your home.
- Remember to keep your home well-lit, both inside and out. Use timers or motion detector lights, as needed.
- Start or keep an active **Neighborhood Watch** program going. A watchful neighbor is your best line of defense.
- Don't leave or store valuables in your car.
- Report any suspicious activity to police dispatch at **909-986-6711**.
- Contact the **Crime Prevention Unit** for a new or update **Neighborhood Watch** meeting: crimeprevention@ontariopolice.org or **909-395-2939**.

Community Heartsaver CPR

Excursions are offered under the sponsorship of Ontario Recreation & Community Services. Checks should be made payable to the "City of Ontario." Published itineraries are subject to change. Every effort will be made to notify participants of changes as they occur. **Timely requests for trip cancellation will be considered for credit to participant's account.** For more information, please call (909) 395-2020 or (909) 395-2021.

Tiny Tots

Four Locations: **De Anza Community Center** • 1405 S. Fern Ave.
Dorothy A. Quesada Community Center (DAQ) • 1010 S. Bon View Ave.
Munoz Community Center • 1240 W. Fourth St.
Westwind Community Center • 2455 E. Riverside Dr.

ENRICHMENT LEARNING PROGRAM

Ages 3 – 5 years

The Tiny Tots Enrichment Learning Program is dedicated to improving the well-being of all young children. Children learn through art, literacy, science and math, interactive and purposeful play.

Three year olds learn to transition successfully from home to school in a relaxed fun-filled educational environment while developing social and motor skills. Four and five year olds will continue to develop, gain and refine skills needed for successful social development and school readiness as they transition into kindergarten. Classes are taught by experienced recreation staff with a student to teacher ratio of 7 to 1. Please call if you are interested in a class that has a Spanish speaking teacher.

ONLINE REGISTRATION is available at no additional cost. Registration began on Monday, July 13 as listed in the Summer Ontario Living Magazine. Online and walk-in registration is ongoing for any remaining spots. First-time and Ontario resident participants registering online must show proof of birth and residency prior to the first day of class. Walk-in registration is accepted at the Armstrong or De Anza Community & Teen Center. Parents/Guardians must bring in proof of birth and Ontario residency at the time of registration. No phone or mail-in registration. Due to the popularity of this program, **NO REFUNDS or CREDITS** will be issued. Please note: Registering for Session 2 will give you priority for Sessions 3 & 4. A letter will be sent home with your child explaining priority registration.

Children must meet the age requirement and be potty trained by the first day of class. No pull-ups allowed. **Children are not permitted to attend more than one class in a session. NO EXCEPTIONS.** Non-residents add \$6. For more information please call (909) 395-2020.

CHECK US OUT!!! OPEN HOUSE for the general public and families of registered participants will be on Tuesday, August 4 at all four sites from 6:30 – 7:30pm. Meet the staff and check out the classroom. Teachers will be available to answer your questions and discuss the upcoming curriculum. Light refreshments will be served.

El Dia de los Muertos: Sharing Traditions

EXHIBIT DATES:

October 1 to November 8

The Museum has been honoring **Day of the Dead** traditions with exhibitions and events for more than two decades. Colorful, thought-provoking, sometimes humorous, and often irreverent, artists express their personal and cultural beliefs about life and death through painting, sculpture, mixed media, photography, and altar installations.

PROGRAMMING:

El Dia de los Muertos Family Discovery Day

DATE:

Saturday, November 7, Noon to 4:00pm

Celebrate and learn about the cultural holiday with creative activities including workshops. This event is free of charge and no reservations are required.

Sponsored by the City of Ontario, admission is **FREE**

■ **Strike Up the Band** **Friday, September 25**
Ontario Town Square

■ **A Tribute to Hispanic Culture and Halloween**
Monday, October 12

FREE

Mulch Giveaway

Come get **FREE** mulch created by City tree trimmings for Ontario Residents Only!

Time: 7:00am to 1:00pm

We encourage you to arrive early for this first come-first-serve event

When: Saturday, November 14

Where: 1530 S. Cucamonga Avenue
Between Belmont and Francis
(West side of the street)

Bring your own container and shovel.

Using Mulch in your garden helps the environment:

- ✓ Conserves water
- ✓ Adds nutrients to the soil
- ✓ Natural method to prevent weed growth
- ✓ "Closes the loop" by reusing trimmings in the yard.

For more information, call
Recycling Hotline at (909) 395-2040.

From the City of Ontario Fire Department:

Remembering When

Classes for our Older Adult Community

Do you know who the first female astronaut into space is?
 Chances are you know it's Sally Ride.

But, do you know how often you should test your smoke detectors, or that it's required for every home to have a carbon monoxide detector?

In our interactive one hour **Remembering When** class, we will review fire and fall prevention.

Ontario Fire is excited to offer this class every quarter at the **Ontario Senior Center**, contact **(909) 395-2029** for program dates.
