Selection and Maintenance of Library Materials

The Ontario City Library selects books and materials which best satisfy community needs within the scope of the Library's Mission, Vision, Values and Roles.

The Library provides a marketplace of ideas and information adhering to the American Library Association *Freedom to Read* and *Freedom to View* statements; and affirming each individual's choice to read and view library materials. Inclusion in the collection is not an endorsement of any item, nor is exclusion a rejection; both are factors of establishing a collection representing diverse community needs.

The Library staff selects and maintains all materials. The basic selection criterion is whether an item is of potential interest to the people served. Other considerations include permanent or timely value, readability, accuracy and authoritativeness, author's and/or publisher's reputation, importance and/or scarcity of material, inclusion indexes, price, format, and availability of the material elsewhere in the area.

Suggestions of authors, titles or subjects are welcome and considered by staff selectors. Contact any staff member to offer a suggestion.

Ontario City Library supports the right of each family to decide which items are appropriate for use by their children. Responsibility for a child's access and use of library materials lies with his or her parent or guardian. Skilled staff members are available to offer guidance to parents upon request. The Library recognizes the importance in a democratic society of individuals forming their own opinions on issues by use of library resources.

Items are not excluded because of the race or nationality or the social, political or religious views of the author. Items are not excluded because they may contain language, illustrations or images possibly offensive to some persons. Anyone that believes an item has been inappropriately selected or omitted should contact staff to report the situation and ask that the item be reconsidered.

Materials are openly available to all except in cases of reference need, fragility or security, in which case certain limitations may apply.

The Library staff is responsible for discarding materials which are surplus to the collection, outdated, or too worn for use.

Gifts of materials or funds to enrich the library collection are welcome. The selection criteria presented here apply to all materials received. The Library reserves the right to accept or refuse conditions placed upon gifts of materials or funds.
