

# BUSINESS SIGNAGE IN THE CITY OF ONTARIO

## DISPLAYING SIGNS FOR YOUR BUSINESS

The display of your business signage can play a crucial role in your success.

The quickest way to get your signs and other exterior alterations (exterior lights, awnings, paint color, etc.) approved is to check in first with the Planning Department by calling (909) 395-2026.

## PROHIBITED AND UNSAFE SIGNAGE

- Vehicle-mounted billboards
- Signs on rooftops
- Signs affixed to, or painted on, a rock, tree, or any other natural feature
- Human signs, wavers and twirlers
- Signs covering an entire window.
- Any sandwich board, “A” frame sign, or other portable sign
- Signs that float in the air, such as signs affixed to, or printed on, hot air balloons, helium balloons, or kites, inflated signs, and any other type of aerial sign
