

Legislative Action Application Form

303 East B Street, Ontario, California 91764 Phone: 909.395.2036 / Fax: 909.395.2420

Dear Applicant:

In an effort to improve customer service and ensure development projects are processed as quickly as possible, the Planning Department finds it necessary to remind its clients that complete application submittals are crucial to the plan review process. In the past, accepting incomplete applications has led to errors and time delays at the end of the review process. I do not want this to happen to you.

Consequently, the Planning Department staff will only accept complete applications at time of submittal. All items requested by this application packet, along with the required filing fee, must be provided before the Planning Department counter staff can accept your application for filing. Please review all minimum requirements prior to submitting your application, as counter staff do not have the authority to waive any requirements.

Please remember that failure to provide all of the required plans and information will result in significant time delays in the processing of your application. If you have any questions regarding the necessity of any particular item required by this application packet, please feel free to contact the Planning Department counter supervisor to discuss your questions.

The Planning Department looks forward to a continued efficient and professional relationship with you in the future. If you have any questions, comments, or concerns regarding this matter, please feel free to contact the Planning Department at (909) 395-2036.

Respectfully,

A handwritten signature in blue ink, appearing to read "RZL".

Rudy Zeledon
Planning Director

Development Impact Fee (DIF) Deferral Minimum Filing Requirements

WHAT IS THE DEVELOPMENT IMPACT FEE (DIF) DEFERRAL PROGRAM?

The DIF Deferral Program applies to residential and non-residential development city-wide to provide developers the option to defer City of Ontario DIF for a maximum period of two (2) years from the effective date of a DIF Deferral Agreement or until a final inspection is requested for the first unit or building within a construction phase(s), whichever occurs first.

The DIF Deferral Program shall be limited to only City of Ontario DIF and any other fees assessed at building permit issuance (e.g. IEUA fees, school fees, etc.) shall remain in full force and effect and not subject to deferment. DIF for the Species, Habitat Conservation, and Open Space Mitigation category is excluded from the deferral option and shall continue to be due and payable upon the issuance of a grading permit.

In order to qualify for the DIF Deferral Program, developers shall be required to submit a completed application, pay the applicable administration fee, and enter into a DIF Deferral Agreement with the City of Ontario, which will be recorded on the property to secure the developer's payment of DIF.

Please note, the amount of DIF due and payable to the City will be determined in accordance with the DIF schedule in effect at the time of payment and not at the time of building permit issuance. In no case shall a final inspection occur nor shall a certificate of occupancy be issued for any unit or building within the construction phase(s) unless and until all DIF fees due to the City of Ontario for such phase(s) have been paid.

MINIMUM FILING REQUIREMENTS

The minimum requirements for filing a DIF Deferral application are listed below. An application that does not include the following information will not be accepted for processing:

- Completed *DIF Deferral Application* and administrative fee (\$4,000).
- Confirm the “*Applicant*” listed on the application is the same entity name that will be issued the Building Permit(s).
- Any other plans or information that the Planning Director deems necessary to facilitate processing of the application.

 - (1) Tract/Parcel Number(s);
 - (2) Lot/Phase Number(s);
 - (3) Dwelling Type(s); and
