DISCLAIMER	(Payment indicated by IEUA stamp below)	
The City of Ontario will not release any water meters until the appropriate water meter connection fee has been paid by the Applicant to the Inland Empire Utilities Agency (IEUA)		

## Please read this after the Engineering Aide has accepted the application.

Contact your inspector to request a field inspection after all fees are paid in full and improvements are ready for inspection. After your inspector provides final acceptance, please contact the Utility & Customer Services Center at (909) 395-2050 to request service. An advanced payment and a City of Ontario business license will be required. The meter installation can take up to ten (10) business days from the date the Utility & Customer Services Center establishes the requested service account(s). To check the status of the application, please call (909) 395-2025 prior to inspector approval and (909) 395-2050 anytime thereafter.
