## **Article I. ADMINISTRATION**

### **Section 1.01 Introduction**

The Executive Management Compensation/Benefit Profile is a summary of benefits and compensation practices adopted by the City Council over several years to be applied on an ongoing basis. The provisions of this document apply to all employees appointed to Executive Management positions (hereinafter known as employee); and all elected officials to the extent the provisions are not in conflict with governing statutes.

This document sets forth policies and procedures to follow in implementing and administering this Executive Management Compensation/Benefit program. The various sections and provisions of the Government Code, Municipal Code, Personnel Rules and Regulations, and the "Employment Policies" in the City's Online Policy Center in effect and applicable to the above mentioned positions will remain in effect unless expressly superseded by provisions within this document.

The terms and conditions of employment for the City Manager and other Executive Management employees may also be addressed in individual employment contracts. Such contracts are considered to be supplemental to this document to address terms and conditions of employment that may not be addressed in this document. However, if an individual's employment agreement is in conflict with this document, then the provisions of the agreement will supersede the provisions of this document.

Employees in Executive Management positions are considered to serve at the will and pleasure of the City Manager. The appointment of a person to a position in the Executive Management Group will not require the establishment of an eligibility list. Appointment and termination actions relating to the Police Chief and Fire Chief positions are subject to confirmation by the City Council.

### **Section 1.02 Purpose**

Persons employed in Executive Management positions are not represented by an employee organization.

This Executive Management Compensation/Benefit Profile is intended as a comprehensive document to define and describe the forms and amounts of compensation and benefits for Executive Management employees and elected officials. This comprehensive document is intended to reflect all City Council actions in effect relating to the Executive Management Compensation Program.

The various forms of compensation and benefits described in this comprehensive document recognize that employees in Executive Management positions should be compensated appropriately for exhibiting accountability, cost effectiveness, application of new technologies and maximizing the utilization of human, physical and fiscal resources; for exerting leadership to enhance the mission and future of the City; and for stimulating the development of people and methods which will facilitate the meeting of program goals and objectives.

### **Section 1.03 Objectives of the Plan Relative to Executive Management**

- A. Recruit and retain well-qualified Executive Managers and enhance their management capabilities in areas such as leadership and accountability.

- B. Facilitate and enhance effectiveness and productive efforts of Executive Managers through evaluations of performance and the recognition of merit in determining compensation.
- C. Enable the City Manager, who is in the best position to judge merit and value to the City of an Executive Management employee's performance, to appropriately compensate Executive Management employees in recognition of such value.

## **Article II. COMPENSATION**

### **Section 2.01 Pay Plan and Benefit Review**

Salary and benefit levels will be reviewed on a periodic basis. Such review will contain comparisons with other similar agencies within the appropriate job market. Such comparisons will be utilized to recommend competitive salary and benefit levels for Executive Management positions. Salary and benefit levels for individual positions may be adjusted from time-to-time, with the approval of the City Council (or City Manager, if appointed as its designee).

### **Section 2.02 Compensation Adjustment**

- A. Compensation and benefit levels for positions in this group may be modified from time to time by the City Council by amendment to this document, or by the City Manager as authorized by the City Council. The salary ranges shall be increased for non-safety related Executive Group classifications as follows:
  - 1. Effective July 4, 2021, base salary ranges shall increase by 2%.
  - 2. Effective July 3, 2022, base salary ranges shall increase by 2%.

The salary ranges for the Public Safety related Executive Management classifications of Fire Chief and Police Chief shall be increased with the same frequency and percentage as the classifications represented by the Fire Management Group or the Police Management Group, respectively. The salary ranges shall be increased as follows:
  - 1. Effective January 2, 2022, the Police Chief and Fire Chief base salary range shall increase by 2%.
- C. The Executive Management Salary Range Table (Appendix A) is established to provide the minimum and maximum monthly salary levels for Executive Management positions.
- D. The City Manager is responsible for determination of each individual employee's salary rate within the assigned salary range. Such determination will be based on job performance and/or other competitive and economic factors.
- E. Salary compensation for elected officials of the City is determined in accordance with Ontario Municipal Code provisions and State law. Elected officials may also receive compensation for attendance at meetings of the Ontario Housing Authority and other applicable boards as authorized. Such compensation is determined by the City Council by resolution or ordinance and may be reviewed on a periodic basis.

**Section 2.03 Management Incentive Pay**

Effective the pay period including January 1, 2021, Public Safety Executive Management classifications, Police Chief and Fire Chief, shall receive Management Incentive Pay at the rate of five (5) hours per pay period, for a total of one hundred and thirty hours (130) per calendar year in recognition of their full-time duties performed during normal working hours that pertain to the unique nature of their job. Such hours shall not be used as time off and shall be paid as salary compensation at the employee’s base rate of pay.

**Section 2.04 American Rescue Plan Act Premium**

The American Rescue Plan Act (ARPA) provided federal relief funds to local government agencies for certain uses. Among those uses include premium pay for employees who perform essential work during the COVID-19 pandemic.

In recognition of Ontario employees’ contributions and their continued diligence in providing essential services through the COVID-19 pandemic, active employees (with a probability of continued employment) as of January 28, 2022, will receive a one-time lump-sum payment as follows:

Assigned Agency (as of January 28, 2022)	American Rescue Plan Act Payment Amount

<b>Article III. BENEFITS</b>
------------------------------

**Section 3.01 Health Insurance Contribution**

Active and retired employees and elected officials are eligible to participate in the City health insurance program. The City contributes up to a maximum of \$563 per month toward health insurance premiums for active and retired employees and elected officials. This amount is inclusive of the minimum statutory employer contribution under CalPERS medical (PEMHCA) for active employees and elected officials who choose to enroll in the City’s medical plan. The contribution rate is provided to cover actual premium costs based upon the enrolment of the employee or elected official and eligible dependents. In addition, retirees from the position of Fire Chief hired into a regular position prior to July 1, 2012, shall receive a reimbursement from the City that will provide the same amount of retiree medical contributions as for retirees from the Fire Management Group hired prior to July 1, 2012. Retirees from the position of Police Chief hired into a regular position prior to July 1, 2012, shall receive a reimbursement from the City that will provide the same amount of retiree medical contribution as for retirees from the Police Management Group hired prior to July 1, 2012.

### Section 3.02 City Contributions to Cafeteria Plan Benefits

The City will maintain an IRS Code Section 125 qualifying Cafeteria Plan to allow employees and elected officials to pay for pre-tax medical, dental and vision benefits.

Employees or elected officials must enroll in a City offered medical insurance plan unless the employee or elected official satisfies conditions of the eligible opt out arrangement below. The City's lowest cost employee-only plan satisfies the Federal Poverty Line Safe Harbor under the Patient Protection and Affordable Care Act.

**City Contributions:** Active employees and elected officials, except the Fire Chief and Police Chief, will receive a Cafeteria Plan Contribution of \$1,300 per month, inclusive of the Health Insurance Contribution set forth in Section 3.01.

After enrolling in selected coverage, eligible employees may take the remainder of the City's contribution as cash. For elected officials, any unapplied amounts will be directed to the deferred compensation 401(a) plan.

Beginning, January 1, 2018, for eligible employees and elected officials who enroll in coverage, the monthly City Contribution, inclusive of the Health Insurance Contribution set forth in Section 3.01, shall be equal to the corresponding Kaiser plan premium for the region in which the employee or elected official is enrolled and as reflected on the CalPERS monthly billing statement and shall not be less than \$1,300 per month.

Beginning January 1, 2018, only those eligible employees enrolled in coverage with a monthly City contribution of \$1,300 per month may take the remainder of the City's Contribution as cash. For elected officials, any unapplied amounts will be directed to the deferred compensation 401(a) plan.

For purposes of the Affordable Care Act's employer mandate, the amount of the lowest cost plan offered to the Eligible Employee and Elected Officials is considered a Health Flex Contribution. A Health Flex Contribution cannot be cashed out or applied to other benefits.

If payments for the individual employee or elected official's selected benefits exceed the City Contribution, the balance will be paid by salary deductions from the pay of the individual employee or elected official.

**Cash-in-Lieu Option:** An Eligible Employee or Elected Official will be eligible to receive cash-in-lieu of \$1,300 per month instead of enrolling in a City offered medical insurance plan only if the following conditions are satisfied:

3. The cash in lieu payment cannot be made and the City will not in fact make payment if the City knows or has reason to know that the employee, elected official or a Tax Family member does not have such alternative coverage, or if the conditions in this Section) are not otherwise satisfied.

The active Fire Chief shall receive the same contribution toward medical insurance premiums as active employees in the Fire Management Group, but not less than the amount provided to other Executive Group employees.
