MCR and MORE Exemption Process

Assembly Bill (AB) 341 and AB 1826 require businesses and multifamily complexes (of 5 units or more) that generate a specified amount of solid waste per week to arrange for recycling and organics recycling services. The City of Ontario is required to provide a number of programs to meet the requirements of both bills. Both AB 1826 and AB 341 allow certain exemptions based on the reasoning.

If you believe your business or multi-family property qualifies for an exemption or if you are self-hauling your organic waste, please email the completed MCR and MORE Exemption Application to IW_Environmental@ontarioca.gov.

UNDERSTANDING THE EXEMPTION PROCESS

1. Please submit your application to the City of Ontario, Integrated Waste Division. If you have any questions please contact:

City of Ontario, Integrated Waste Division
Phone: (909) 395-2786
Email: IW_Environmental@ontarioca.gov.

2. An Environmental Technician from the City of Ontario, will visit and perform a waste assessment to determine whether your business or multi-family complex qualifies for exemption.
3. Staff from the City of Ontario will take photographs to support the basis for the exemption request.
4. After the site visit, the City of Ontario will prepare a written report that includes the reason for the exemption request along with any supporting documentation (including site photos that were taken).
5. This process will take approximately three (3) weeks to complete from the time application was received. You will receive a written notification from the City indicating if your request was approved or denied.
6. Approved exemptions are only valid for one (1) year, from the date it was approved. It is the responsibility of the business to re-apply for the renewal.
