Major Land Use Actions subject to the ONT Inter-Agency Notification Process

The following types of Major Land Use Actions are subject to the ONT Inter-Agency Notification Process if located anywhere within the Airport Influence Area (*Applies to all Affected Jurisdictions*):

- Expansion or creation of the sphere of influence of a city or district (e.g., annexation or incorporation)
- General Plan, Specific Plan or Zoning Amendments
- Major capital improvements (e.g., water, sewer, roads) that would promote urban development in undeveloped or agricultural areas to the extent that such uses are not reflected in a previously reviewed general plan or specific plan.
- Any proposal for acquisition of a new site or expansion of an existing site by a special district, school district, or community college district.
- Any proposal for construction or alteration of a structure (including antennae) taller than 200 feet above the ground.

The following types of Major Land Use Actions are subject to the ONT Inter-Agency Notification Process only if they are located within a safety zone (*Applies solely to the City of Ontario*):

- Any proposed land use within Safety Zone 1 that is not an aviation-related use.
- Public agency acquisition of sites intended for institutional uses including hospitals, schools, jails or prisons.
- Any discretionary development proposal for projects having a building floor area of 20,000 square feet or greater unless only ministerial approval (e.g., a building permit) is required.
- Proposed development of airport property if such development is not an aviation-related use or has not previously been included in an airport master plan or community general plan reviewed under the Alternative Process.

The following types of Major Land Use Actions are subject to the ONT Inter-Agency Notification Process only if they are located within a noise impact zone of 65+ dB CNEL (*Applies to the City of Ontario, City of Fontana and unincorporated areas of San Bernardino County*):

- Residential development, including land divisions, consisting of five or more dwelling units or individual parcels.
- Any nonresidential use having outdoor dining or gathering functions.
- Public agency acquisition of sites intended for institutional uses including hospitals, schools, jails or prisons.

The following types of Major Land Use Actions are subject to the ONT Inter-Agency Notification Process only if they are located within an airspace protection zone (*Applies to all Affected Jurisdictions*):

- Any proposed object (including buildings, antennas, and other structures) having a height that requires review by the Federal Aviation Administration in accordance with Federal Aviation Regulations Part 77, Subpart B.
- Any proposed object (including buildings, antennas, and other structures) that would penetrate the allowable height as defined by Map 2-4 or conflict with the Airspace Protection policies.
- Any project having the potential to create electrical or visual hazards to aircraft in flight, including:
 - Electrical interference with radio communications or navigational signals.
 - Lighting which could be mistaken for airport lighting.
 - Glare in the eyes of pilots of aircraft using the airport.
 - Impaired visibility near the airport.
- Any project (e.g., water treatment facilities, waste transfer or disposal facilities, parks with open water areas), plan (e.g., Habitat Conservation Plan) or proposal to acquire sites intended for lakes, ponds, wetlands, or sewer treatment ponds which would have the potential to cause an increase in the attraction of birds or other wildlife that can be hazardous to aircraft operations in the vicinity of an airport.
