City of Ontario New Business License System

Dear Business Owner,

The City of Ontario has always valued its relationship with the business community. We are pleased to announce some changes to our Business License Certificate procedures that are designed to streamline the process for remitting payments to the City.

The City has recently contracted with the HdL Companies to work with the Business License Department in providing assistance to the business community for all of their Business License needs. HdL Business Support Center will help the Business License Department in providing the business community with the support for all aspects including Application, Payment, Certificate Issuance, and general support for your business needs.

The Business Support Center will offer a variety of online support options allowing for filing and paying of Business Licenses online as well as obtaining copies of forms and other relevant information.

Additionally, our Business License staff is here to assist you with any questions or concerns you may have. Please do not hesitate to contact us directly at 909-395-2022.

Thank you for doing business in the City of Ontario.

Sincerely,

Armen Harkalyan
Executive Director of Finance
